Announcement

It is with regret that I offer my herd of pure Scotch Shorthorn cattle for sale. Due to general conditions which have altered our plans for the future, we decided to discontinue the operation of my farms, this being the reason that this herd is being offered for sale. In 1939, I purchased my first cattle, and for three years, I purchased top females from the best herds in the North American continent in order to own and operate a first-class pure-bred breeding establishment. At the 1940 International Sale at Chicago, Illinois, I purchased from the famous Klaymor Farms at Toronto, Canada, Klaymor Eclipse 2024296, a son of the great internationally famous imported Collynie Royal Barrage, out of the great cow, imported Silk Velvet. This bull's full brothers, Klaymor Ballot and Klaymor Cap-A-Pie, had already gone into the strongest herds in the world and had made outstanding reputations for themselves. During my visit to Canada in 1939, I considered Silk Velvet, the dam of this bull, one of the greatest imported cows in Canada. His get in this sale will be guaranteed evidence that he is one of the greatest breeding sons of this combination of blood lines. His type and quality, and his ability to breed solid colors has made his reputation one that will carry on throughout the years to come.

The cow herd are from the most substantial families, and the larger percentage of them carry many crosses of champion bulls and internationally known breeding bulls of the great breed they represent. In many instances, there will be cows with three sons or daughters of their production which will be positive evidence that they breed uniformity, type, and quality. Excepting two, the entire offering will be of ages from 1939 to date, so the entire offering can be considered all young cattle that are in full production.

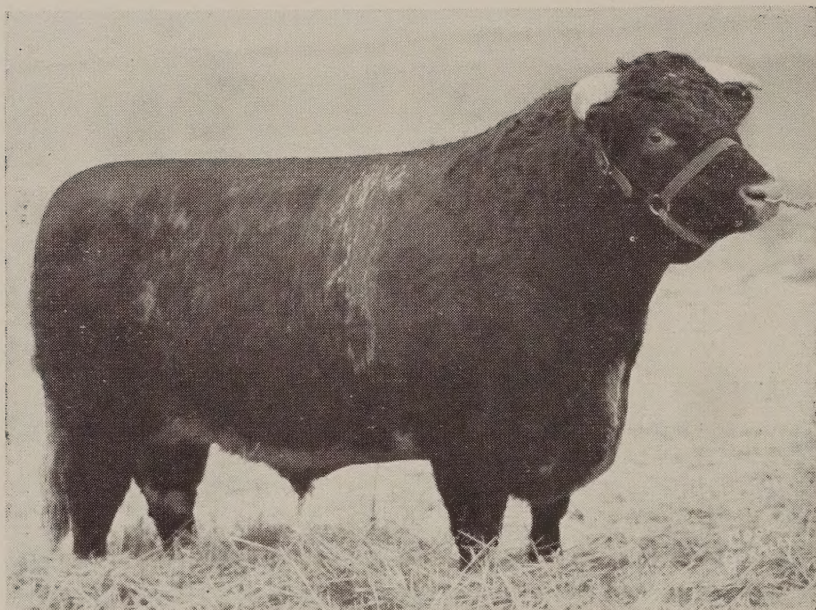

It is my sincere hope that this herd will carry on as profitably and enjoyably as they have for me. They will be offered in excellent health condition and proper flesh to carry on for you. I have enjoyed the friendships I have made among the Shorthorn breeders, and I wish to take this opportunity to express my gratitude to them for the many bits of good advice and good fellowship in their dealings.

We will be most happy to have you as our guest sale date.

E. H. ANDERSON
